

# Let's end deforestation

This election we need all parties to develop strong laws to protect our forests, bushland and wildlife. This is our independent assessment of how each of the major parties stack up.

## PROTECT KOALA HABITAT FROM DEFORESTATION

Prohibit clearing of core koala habitat			
Protect all remnant and high-conservation-value regrowth forest and bushland in law			
Establish the Great Koala National Park in the Coffs Harbour hinterland			

## CREATE STRONG LAWS TO PROTECT FORESTS AND BUSHLAND

Mandate the conservation & enhancement of biodiversity in law			
Restrict code-based land clearing			
Release prompt, transparent and regular statewide clearing data and adequately resource monitoring and compliance			
Complete and publicly release native vegetation mapping			

## SUPPORT LANDOWNERS TO RESTORE HEALTHY LANDSCAPES

Establish a \$1.5 billion Land and Biodiversity Fund to restore the health of the landscape

## END NATIVE FOREST LOGGING

Commit to ending native forest logging on public land			
Deliver a plan for communities to transition from native forest logging
